I'm not afraid to die, I just don't want to be there when it happens

- Woody Allen

The history of the United States has occurred in such a short amount of time, and our Blackledge Family is caught up in that finite interval. As an example: in the Summer of 1796, George Washington was publishing his Farewell Address to close out his presidency; in summer of 1896, Allan Douglas Blackledge was born in Nebraska, and in summer of 1996, Douglas Faust Blackledge has just completed his helicopter training program in Ft Rucker, GA. What indeed will 2096 bring for the country and the family?

every day.
